BOSLEY - STATE CHAMPION

Michelle Bosley, PHS sophomore, received two grand champion trophies at the West Virginia twirling championships held at Alderson-Broadbush College. The championships were for competition with two and three batons.

At the Grand Nationals held in Seattle, Washington, Michelle placed 16th in the nation. Following the competition she traveled to Hawaii for a two week twirling clinic. Michelle has won a total of 388 awards on local, state, eastern regional states, and national levels. At Eastern Regionals in June, Michelle was invited to try out for U.S. World Team, but because of other commitments, she turned down this opportunity. The USTA is currently negotiating to have baton twirling incorporated in the 1984 Olympic events.

The national competition moves to various locations across the U.S. each year. On the national level she has placed as follows: 1974 San Francisco, California, ninth; 1975 Columbus, Ohio, eighth; 1976 Miami Beach, Florida, fourth; 1977 Denver, Colorado, second. 1979 Norfolk Virginia, ninth.

Michelle is currently feature twirler with the Petersburg Viking Band under the direction of Randy Brannon.

Michelle is presently teaching a group of young ladies called Michelle's Royalties.

Michelle entertains fans by twirling fire batons.

IN MEMORY OF THOSE WE MISS

If I were sure I had
One final day on earth,
I'd spend it telling friends
How much to me they're worth.
If I were sure I had
Just one more hour grim,
I'd spend it telling friends
How much I cherish them.
I'd speak to friends of love
If I had just one minute,
But since we never know
I'll even now begin it.
